one hundred and twenty years ago there were only seven of u working on the rtaff of the Bank—a cashier, an account and, a paying teller, a second teller, a discount cierk, a second bookkeeper, and a porter—that was the entire staff. To-day we are more than 6000, in more than 500 Branche, all working to render modern, experienced bankins service. Our Bank's career has been inseparably woven into the career of the nation and every part of it. Founded in 1817, the Bank at once became a financial path-finder for Canada's pioneers. Through all the intervening, eventful, growing years and political upheavals, Canadians were learned to rely upon the unwavering series and political upheavals, Canadians are learned to rely upon the unwavering series and political upheavals, Canadians and the series and efficient—by pursuing a politic transpared to a for a first political transpared to a first political upheavals, Canadians were learned to rely upon the unwavering series and political upheavals, Canadians are learned to rely upon the unwavering series and political upheavals, Canadians are learned to relate the series and the worst of economic ontition.

Our Bank's action of safe for depositors and by keeping of a feety for depositors and political upheavals, Canadians are learned to relate the service of the service
